OPPORTUNITIES IN YOUR CAREER, EVOLVE INTO SMART PROFESSIONALS, COLLABORATE AND INNOVATE

ON A MISSION TO CONQUER NEWER FRONTIERS - RSA!

Rathinam School of Architecture is an endeavour established by an elite panel of practitioners and academicians with an intention to redefine learning and set new standards in Architectural education, design, research and scholarship by creating a healthy nexus between academia-research-Industry. The architecture school is poised to explore the domain of Design and Architecture through intense architectural dialogue, inquiry, experimental and continued research to evolve informed industry ready professionals with aptitude necessary to emerge as leaders and critical thinkers in the field of Architecture and Design.

WORLD CLASS INFRASTRUCTURE

AN INSPIRING CAMPUS THAT FURTHERS CREATIVITY

CENTER OF EXCELLENCE FOR SMART CITIES

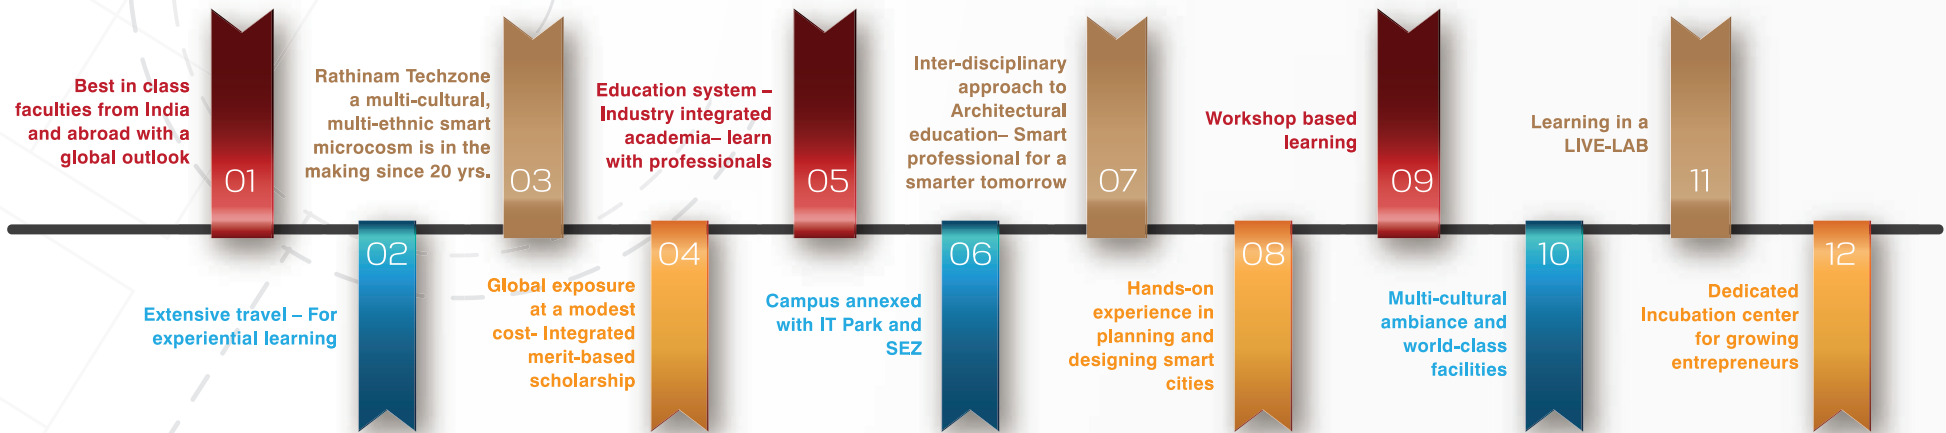

To address the pressing needs / emerging trends in the industry, RSA is providing a B.Arch program integrated with a smart city course in a Live Lab. The program is aimed at providing students with hands-on experience in planning, designing and executing smart cities in real-time. Besides, the curriculum students will also be introduced to latest cutting-edge technologies.

KEY DIFFERENTIATION

- Opportunity to participate in evolving the smart city inclusive campus thus gaining hands-on experience while at college.
- Best in class faculties from India and Abroad.
- Workshop based learning.
