CHAIRMAN'S MESSAGE

Dr. MADAN A SENDHIL
CHAIRMAN - RATHINAM GROUP

When you walk through the portals of Rathinam, you are entering into a world that leads to your future. We believe that acquiring a degree is only a part of the learning process. The bigger quest is to prepare the students mentally to lead their lives better.

At Rathinam, our goal is to create global leaders who will contribute their knowledge in building a more prosperous and peaceful world. We are committed to inculcate strong, ethical and moral values to our students. Our faculty members prepare the students to become self-reliant.

PRINCIPAL'S MESSAGE

Prof. S. KARTHIKEYAN
PRINCIPAL - RATHINAM COLLEGE OF PHYSIOTHERAPY

A good education is a foundation for a better future. At Rathinam College of Physiotherapy, we have a team of dedicated academicians who aim to nurture every student to excel both personally and professionally, providing guidance to elevate them even beyond the gates. Students are exposed to a conducive learning environment to achieve their fullest potential and our motto is to make it possible.

VISION

To inculcate quality physiotherapy education and produce competent physiotherapists to meet international standards.

MISSION

To impart quality education by providing a conducive learning environment to enrich students' knowledge and skills to explore their talents in the field of physiotherapy.

MOTTO

Shaping Youth into Professionals

**SHAPING
YOUTH INTO
PROFESSIONALS**
