RATHINAM
UK GLOBAL
EXCHANGE
PROGRAM FOR
ARTS & SCIENCE
COLLEGE

Expanding Global Learning for Arts & Science Students

Rathinam Arts & Science College has established itself as a pioneer in innovative education, research, and student success. To further enhance international exposure and career opportunities, we propose a 2+2 Undergraduate and 1+1 Postgraduate academic exchange program in collaboration with UK universities.

Program Structure

2+2 Undergraduate Arts Program

- Students complete two years at Rathinam and transfer to a UK university for their last two years.
- Graduates receive a UK Bachelor's degree, providing them with global recognition.

1+1 Postgraduate Arts Program

- Students complete one year at Rathinam and their final year in the UK, receiving a UK Master's degree.

We seek to establish academic agreements for course mapping, faculty collaboration, and seamless student mobility between Rathinam and UK universities.

RATHINAM-UK PARTNERSHIP FOR STUDENT EXCHANGE

Rathinam-UK Global Exchange Program for Engineering College

Bridging Borders for Engineering Excellence

Rathinam Group of Institutions, known for its cutting-edge engineering education and industry-aligned curriculum, seeks to collaborate with leading UK universities to establish a structured academic exchange program. This initiative will enable students to gain international exposure, world-class education, and enhanced career opportunities through a 3+1 Undergraduate and 1+1 Postgraduate model.

Program Structure

3+1 Undergraduate Engineering Program

- Students complete three years at Rathinam and transfer to a UK university for their final year.
- Graduates receive a UK Bachelor's degree, enhancing global career prospects.

1+1 Postgraduate Engineering Program

- Students complete one year at Rathinam and transfer to a UK university for their final year of Master's studies.
- A globally recognized UK Master's degree is awarded upon completion.

We invite UK universities to collaborate on credit mapping, course articulation, and student mobility frameworks, creating a seamless transition for engineering students between India and the UK.

Proposal for International Internships

Rathinam B-School

Enhancing Global Learning Through Internships

Rathinam B-School, a leading institution in Coimbatore, Tamilnadu, India is committed to provide its students with global business exposure and practical learning. We seek collaborations with UK universities and corporate organizations to facilitate structured international internships for our MBA students, enhancing their industry readiness and cross-cultural competencies.

MBA Programs & Specializations

MBA Programs

MBA General | MBA – IEV (Innovation, Entrepreneurship & Venture Development)

Specializations Include

International Business | Marketing | Finance | HR | Investment Banking
Business Analytics | Logistics & Supply Chain | Sustainability | Operations
Intrapreneurship

Proposed Internship Model

Duration: 10 Days – 1 Month (Flexible)
Frequency: Once per Year or Once per Semester

Internship Activities

- Industry Projects & Case Studies
- Expert Lectures & Networking
- Company Visits & Business Simulations
- Capstone Project & Certification

Collaboration Proposal & Next Steps

We seek cost-effective internship models with UK partners, tailored to provide high-value learning experiences for our students. We invite UK universities, corporate firms, and incubators to explore a structured partnership for global academic and industry engagement.

Let's create a
transformative global
learning experience together
